EDUCATION

Masters in Geo-informatics (Ongoing)

Indira Gandhi National Open University
UP

2027

Varanasi,

Bachelor of Science, (Chemistry/Physics)

University of Allahabad
UP

June, 2024

Prayagraj,

- Div- 1st
- CGPA: 6.88/10

St. Joseph's College

Senior Secondary Certificate (PCM)
UP

July 2020

Prayagraj,

PROJECTS

- Pedestrian Accessibility Assessment of the proposed Prayagraj Metro System (2025)
 - Used GIS tools to analyze pedestrian accessibility around proposed metro stations
 - Generated thematic maps to support urban transport planning insights
- Transit Visualization of the Vande Bharat Network in Uttar Pradesh (2026)
 - Interpolated train positions along railway shapefiles using Indian Railways timetable data to animate scheduled movement across UP in QGIS
 - Rendered a spatiotemporal simulation of route coverage, station halts, and connectivity patterns using FFmpeg for geospatial transport analysis

EXPERIENCE

National Cadet Corps

SUO

Sept. 2020 – July 2023

Volunteer

- Acted as the senior-most cadet, leading and coordinating training sessions, drills, and parades.
- Supervised staff and senior cadets, delegating tasks, and ensuring all camp protocols and schedules were followed.

CERTIFICATIONS

- Licensed Amateur Radio Operator, Department of Telecommunication (Government of India) 2024
- Certificate in First Aid (IGNOU) 2025
- MATLAB Onramp, MathWorks®, 2024
- Wireless Communications Onramp, MathWorks®, 2024

ACTIVITIES AND ENGAGEMENTS

- Attachment Training at the Indian Military Academy, Dehradun (UK) 2022
- AIGVM Shooting Championship, Ahmedabad (Guj) 2021
- IDSSC, Army Marksmanship Unit, Mhow (MP) 2021

SKILLS

- **Geospatial & Remote Sensing:** GIS fundamentals, thematic mapping, cartography, satellite image interpretation, digital image processing (enhancement & classification), buffering, overlay analysis, and GPS/GNSS systems.
- **Tools & Data Analysis:** QGIS, Google Earth, Excel, MATLAB, Origin, FFmpeg — applied to spatial data handling, analysis, visualization, and reporting..
