EDUCATION

Masters in Geo-informatics (Ongoing)

Indira Gandhi National Open University

2027

Varanasi, UP

Bachelor of Science, (Chemistry/Physics)

University of Allahabad

June, 2024

Prayagraj, UP

- Div- 1st

- CGPA: 6.88/10

St. Joseph's College

Senior Secondary Certificate (PCM)

July 2020

Prayagraj, UP

PROJECTS

▪ Transit Visualization of the Vande Bharat Network in Uttar Pradesh (2026)

- Interpolated train positions along railway shapefiles using Indian Railways timetable data to animate scheduled movement across UP in QGIS
- Rendered a spatiotemporal simulation of route coverage, station halts, and connectivity patterns using FFmpeg for geospatial transport analysis

▪ Pedestrian Accessibility Assessment of the proposed Prayagraj Metro System (2025)

- Used GIS tools to analyze pedestrian accessibility around proposed metro stations
- Generated thematic maps to support urban transport planning insights

EXPERIENCE

National Cadet Corps

Sept. 2020 – July 2023

SUO

Volunteer

- Acted as the senior-most cadet, leading and coordinating training sessions, drills, and parades.
- Supervised staff and senior cadets, delegating tasks, and ensuring all camp protocols and schedules were followed.

CERTIFICATIONS

- Advanced QGIS Certification, QGIS.org (Facilitated by Spatial Thoughts) 2026
- Licensed Amateur Radio Operator, Department of Telecommunication (Government of India) 2024
- Certificate in First Aid (IGNOU) 2025
- MATLAB Onramp, MathWorks®, 2024
- Wireless Communications Onramp, MathWorks®, 2024

ACTIVITIES AND ENGAGEMENTS

- Attachment Training at the Indian Military Academy, Dehradun (UK) 2022
- AIGVM Shooting Championship, Ahmedabad (Guj) 2021
- IDSSC, Army Marksmanship Unit, Mhow (MP) 2021

SKILLS

- **Geospatial & Remote Sensing:** GIS fundamentals, thematic mapping, cartography, satellite image interpretation, digital image processing (enhancement & classification), buffering, overlay analysis, and GPS/GNSS systems.
- **Tools & Data Analysis:** QGIS, Google Earth, Excel, MATLAB, Origin, FFmpeg, applied to spatial data handling, analysis, visualization, and reporting..
